

## AFVTech Inc. Donates a Hydrogen/Natural Gas vehicle to Fountian Hills School District

December 1st 2007, AFVTech Inc. has donated a Hydrogen Capable Natural Gas Ford Crown Victoria to Fountian Hills School District. Accepting the donation is Dr. Paul McGalligot (FHSD), who is an Hydrogen Advocate. This vehicle will allow the school district to perform testing and analysis while using Hydrogen and Natural Gas HCNG blended fuels. Kevin Fern President AFVTech Inc, stated he is proud to be able to donate the vehicle to FHSD, with an exciting future ahead of us, these technologies will become more known and this is one of the keys to energy security in the United States. More information about this will be updated soon!!
